# Η δημιουργία του έργου.....

- Το θέμα της πολιτότητας στην ηλικία των 16-17 ετών είναι ιδιαίτερα σημαντικό.
- Οι μαθητές/μαθήτριες διαμορφώνουν την κοινωνική και πολιτική τους ταυτότητα.
- Προετοιμάζονται για ενεργό συμμετοχή στη δημοκρατική ζωή ως ενήλικες.
- Καλούνται να κατανοήσουν τις δημοκρατικές αρχές, αλλά και να σκεφτούν κριτικά τον ρόλο και τις ευθύνες τους ως ενεργοί πολίτες.

Hello! I am a physics teacher in a secondary school in Paphos. I have been teaching physics for 17 years to students aged 12 to 18. I have a deep passion for science and I am always excited to explore and share the wonders of the physical world with my students. Beyond teaching, I love traveling as it allows me to experience new cultures, gain new perspectives and find inspiration that I bring back to the classroom. I'm excited to be part of this team and look forward to collaborating with everyone, sharing ideas and working together.
